Call to Worship and Action

Clara García

Leader: We believe in peace.

People: We believe all people deserve to live full lives of dignity and prosperity.

Leader: We believe that our actions must not cause harm to other people.

People: Our actions are prayers for peace.

Leader: We root ourselves in our deeply held faith beliefs and traditions.

People: We remember Anabaptists that have come before us that risked their lives in opposition to Christian nationalism, against war and violence, and for religious and political freedom.

Leader: Our actions mourn the loss of life and celebrate the joy of living.

People: We work to stop war and oppression through prayerful action.
