## HEARING

**Gospel Reading** John 15.1-17

“I am the true vine, and my Abba is the vine grower who cuts off every branch in me that doesn’t bear fruit but prunes the fruitful ones to increase their yield. You’ve been pruned already, thanks to the word that I have spoken to you. Live on in me, as I do in you. Just as a branch cannot bear fruit of itself apart from the vine, neither can you bear fruit apart from me.

**I am the vine; you are the branches. Those who live in me and I in them will bear abundant fruit, for apart from me you can do nothing.** Those who don’t live in me are like withered, rejected branches, to be picked up and thrown on the fire and burned. If you live on in me, and my words live on in you, ask whatever you want and it will be done for you. My Abba will be glorified if you bear much fruit and thus prove to be my disciples.

**As my Abba has loved me, so have I loved you. Abide in my love.** And you will live on in my love if you keep my commandments, just as I live on in Abba God’s love and have kept God’s commandments. I tell you all this that my joy may be yours, and your joy may be complete.

**This is my commandment: love one another as I have loved you. There is no greater love than to lay down one’s life for one’s friends.** And you are my friends, if you do what I command you. I no longer speak of you as subordinates, because a subordinate doesn’t know a superior’s business. Instead I call you friends, because I have made known to you everything I have learned from Abba God. It was not you who chose me; it was I who chose you to go forth and bear fruit. Your fruit must endure, so that whatever you ask of Abba God in my name God will give you.

**This command I give you: that you love one another.**

**Singing** Alleluia (refrain) 66

**Message** *Mutual flourishing: the fruits and nuts of it all*

## RESPONDING

**Singing** What a friend we have in Jesus 628

**Sharing Joys and Concerns**  
**Prayers of the People**

## SENDING

## ~PRAYERS~

- ~for my MCC friend **Keyla**, who lives in Colombia, as she prepares, along with Resurrection Mennonite in Soacha, a suburb of Bogota, for a youth “encounter” on July 2-3, a weekend of connecting with other young people and with God. Prayers as they seek finances and resources for this retreat and may it be a soul-feeding time ~**Lily Mast**
- ~from **Susan Graber**: Prayers of healing for **Elvira Glenn**, who is home recovering from Covid.
- ~for **Sandi Sanborn**. Sandi wore a cardiac monitor for 14 days in late May and got the results last week ... it recorded a heart rate of 176 with atrial and supraventricular irregularities. The consistent irregular heartbeat leaves her weak. The COVID test results came back negative. She is seeing a doctor about the heart at the end of this month.
- ~for healing for **Tim Hunsdorfer**, who has a back injury that is hopefully temporary. Prayers that Tim and Susan can find an American physician who may help (via telehealth) them complete paperwork to verify Tim’s ongoing disability. Please contact Tim and Susan if you may help them with this.

## **MENNONITE CHURCH USA:**

**Mennonites Against Militarism:** - a collaboration of Mennonite Central Committee, Mennonite Church USA – is seeking to launch an initiative to counter military recruitment of U.S. youth. The vision for the project, Alternatives to Military Enlistment Network (AMEN), is to connect young people with volunteer advisors who can help them find non-military career, service and training opportunities. AMEN invites interested volunteers to complete a brief survey that identifies areas in which they may engage with AMEN, including administration, web and graphic design, publicity, budgeting, fundraising and guidance/career counseling. Take the [survey here](#).

**Menno Snapshots:** As many graduates are journeying on to different places, many times outside of their original communities, it is important to find the balance between support and being overbearing. “Our greatest gift is offering relational support and creating a safe space for questions and wonderings, as our youths’ worldviews expand.” [Learn more from Sarah Neher](#), director of faith formation and congregational life at Rainbow Mennonite Church, as she provides guidelines for supporting our youth.

**Learn, Pray, Join:** As part of Mennonite Church USA’s Learn, Pray, Join: Welcoming EveryBODY initiative, Matthew Yoder, pastor of Grace Mennonite Church, reflects on why he believes that the Accessibility Resolution is so important to him personally. “Thanks to generous friends, evolving technologies and accessible spaces, [my grandfather] is able to continue to pursue his passion of worshipping God and serving the church.” [Read more of his story here](#).

**Learn, Pray, Join:** As part of Mennonite Church USA’s Learn, Pray, Join: Welcoming EveryBODY initiative, Shepherd Heart, a ministry of the Pacific Southwest Conference shares suggestions on preaching about disabilities. “Accessibility is about more than accommodation. How we preach about disability is profoundly important.” [Read their guidelines here](#).

## **MENNONITE CENTRAL COMMITTEE:**

**MCC U.S. National Peace & Justice Ministries** is excited to share about opportunities for young adults throughout 2022 and early 2023:

**Just Camp...for Justice at Camp Friedenswald, Michigan, July 25-29.** This experience will combine the fun and community-building aspects of a week at camp with meaningful service and learning, focused on themes of immigration, transformative justice, and healthy dialogue. Come experience the joys of living in a community of radical peacemakers. This camp experience offers the possibility of paying on a sliding scale, as you are able. [Register here.](#)

**Peace Camp Puerto Rico, Nov 6-11.** Puerto Rico has a complex and compelling history for peacemakers to wrestle with, and a beautiful Caribbean location to do it in. This peace camp will provide young adults the opportunity of hands-on learning as we build community together, deconstruct unjust systems, witness and participate in spaces of healing, engage in hospitality, and discover new ways to live and proclaim the gospel of peace. This experience will be facilitated in Spanish; a minimum of conversational Spanish is expected from all participants. [For more information and to register, click here.](#)

**Peace for the weary at Camp Deerpark, New York, January 2-7, 2023.** With rising violence in the U.S. and its pervasive systemic nature, our young adults are grappling with deep pain and trauma as they are simultaneously called to forge a different course ahead. This weeklong peace camp will offer spaces and strategies for personal healing, repairing harm, participating in nonviolent intervention, and finding hope when we feel surrounded by violence and destruction. Travel expenses will be covered and registration will cost \$200. Watch the [MCC U.S. Peace Camps website](#) for more information.

**ECOLOGY TIP:** Even when plastic bottles are recycled, the process so weakens the structural integrity of the plastics, that it is only good for one more round. It cannot be recycled indefinitely, so unless it's made into a permanent structure, it will eventually end up in the landfill, possibly leaching toxic chemicals into the air and water. On a typical shopping trip, assess what in your cart is made of plastic. Then be creative in finding alternatives to plastic packaging, bottles, and bags, saving the planet one item at a time!

*Boulder Mennonite Church acknowledges that we are gathering on the traditional territory of Indigenous Peoples. It was inhabited by the Ute, Cheyenne, Arapaho and Ochethi Sakowin Peoples. We affirm that settlers have specific responsibilities in the journey of reconciliation with Indigenous Peoples.*
