item 19	A Day in Rocky Mt. Natl. Park with Becky		Becky Neumann bneumann428@gmail.com	Join me for a day at one of our national treasures just an hour away - Rocky Mountain National Park. I will take 2-3 people up with me during the high season for the animals and birds May, June or July. It will be an early morning start on a weekday only to be at the park by 8 a.m. but the rewards will be great. There is always a possibility to see moose, elk, deer, and sheep along with marmots and pika. Birds are always a bonus along the way. If Trail Ridge Road is open, we may head over to the west side. If you choose July, we will head up Old Fall River Road for the great views animal sightings. Optional short hike. There is never a bad day in the park!
